## The 2012 Guppy Convention held in Kettering.

### New Venue for the Fancy

### Guppies UK.

The Convention and IKGH Show held at the Naseby Hotel in Kettering has proved to be an excellent choice of venue.

It was good to meet up with old friends and exchange views and ideas on Guppy breeding. I always find that you come away from these get together's with a broader knowledge of Guppy Breeding.

The quality on display this year was high and the Short Tail section especially was of the highest calibre. The best I have seen for any of the UK or European Shows to date. Now that Derek Jordan is breeding short tail types. I am sure the bench mark will only get higher during the next few seasons. What is clear from the **Fancy Guppy Team** they have now achieved a very high standard of presentation when putting on an IKGH event. Instrumental to this is Steve Elliott Show Manager and for 2012 the FGUK Chairman.

Steve has now stepped down as Chairman but will remain acting Show manager for 2013.

Derek Jordan now takes on the mantle of Chairman. Derek was in the Chair previously and done a very good job. I am sure that the FGUK will go from strength to strength during 2013.

### Guppy Club Of Great Britain.

Is now entering its third year of existence. 2013 will offer more opportunity for members to expand their interest in the IKGH European Show Circuit.

### Hermann Magoshitz.

#### 2012 European Trios Champion.

Congratulations to Hermann on his 2012 EC Trios Championship two years in a row. Hermann is very supportive of the

IKGH Guppy scene through out Europe and a well deserved winner.
