FGUK. Convention held in Kettering.

Fancy Guppies UK.

UK Convention and IKGH Show was again held at the Naseby Hotel in Kettering and has proved to be another great success. It was good to meet up with old friends unfortunately my work commitments did not allow me time to attend over the week end. I always find that you come away from these get together's with some new snippet of Guppy Breeding knowledge. The quality on display this year was good and the Short Tail section winner belonging to Cristian Salogni from Italy took

Best In Show.

What is clear from the **Fancy Guppy Team** they have again achieved a very high standard of presentation on this IKGH event. Instrumental to this is Steve Elliott Show Manager. Carl Stewart also deserves a pat on the back for this event. In the few years I have known Carl. The Standard of his guppies have come along way. Well done Carl Winning the UK Guppy League 2013.
